Connor Crimmins

2360 Palmer Ranch Drive, New Lenox, Illinois 60451
Ph: (815) 693 – 5236 – E-mail: irishboy@iastate.edu

OBJECTIVE

As an Electrical Engineering student, I am interested in obtaining an position to further my knowledge and understanding of engineering related tasks, gain practical experience, and assist my employer in the effective implementation of assigned tasks.

SKILLS

- Embedded Programming
- Leadership / Teamwork
- Revit, BlueBeam, SKM, Cadence Virtuoso Proficient
- IC design
- Good Communication Skills
- Critical Thinking

EDUCATION

September 2023 – Present
Expected Graudation: May 2028

Iowa State University - Ames, Iowa
B.S. in Electrical Engineering
M.S. (Thesis) in Electrical Engineering
Current GPA: 3.34

September 2019 – May 2023

Lincoln-Way West - New Lenox, IL
High School Diploma
GPA: 3.8

WORK EXPERIENCE

June 2026 – August 2026

IMEG | Naperville, IL
Intern – Electrical Engineering

- Education Institutions helped: Central Michigan University, Elgin Community College, Kankakee Community College, Todd Hall, Rock Valley College, Harper College, Waubonsee Community College, and CLC Urban Farms.
- Responsible for the design of electrical plans for Lighting, Fire Alarm Systems, and Power of Educational Institutions.
- Verified designs met NFPA and NEC code for all electrical plans.
- Calculated Conduit Sizing for Voltage drop in distribution plans.
- Built Standard for EV charge stations for future Electrical Plans.

May 2024 – August 2024
May 2025 – August 2025

HR Green | Aurora, IL
Intern

- Projects: Indian Trail Reconstruction Project, Orland Park Neighborhood Resurfacing Project, Oak Forest Resurfacing Project, Mokena Bridge Repair Project.
- Verified project expenditures to ensure correct budget allocation.
- Calculated material usage projections and confirmed usage to ensure proper allocation of resources.
- Interacted with various contractors, including the Primary Contractor, Electrical Contractor, and Paving Contractor, to verify the accuracy and completion of work.

- Learned IDOT standards for related areas of work.

February 2026 - Present **Iowa State University | Ames, IA**

Undergraduate Researcher (Electrical Engineering)

- Projects: BIA device for pigs.
- Oversaw the research with the Professor.
- Played a critical part in the design, application, and production of the researched device.
- Tested the device at Iowa State Pig Farms to confirm accuracy of device.
- Lead meetings with other parties involved with the continuation of the research.
- Increased my critical thinking skills.
- Responsible for monitoring the devices at all times and upkeeping their functionality.
- Lead other Undergrad Researchers during the project.

EXTRA-CURRICULAR ACTIVITIES

2024 - Present **IEEE**

Iowa State Student Chapter

- Attended chapter meetings

2021 - 2023 **Computer Tech Club President**

Lincoln-Way West

- Established the Computer Tech Club to assist students in the exploration of technology.
- Elected as President of the club and helped manage club events such as building and programming robots.
- Coordinated the club expenses by raising money while working for the school's concession stands.
- Expanded student membership.

2021 - 2023 **NHS/NSHSS Member**

Lincoln-Way West

- Nominated for membership by school faculty.
- President's Cabinet membership.
- Volunteered at the New Lenox Public Library, school concession stands, other community service events.
